SURVEY

We are very fortunate to have such a fabulous place for our children to connect with their Ukrainian heritage and religion, while making life long friendships. A great deal of work is required to ensure Green Grove Camp continues. And volunteers complete much of that work. The Green Grove Board is discussing initiatives to encourage volunteerism and wish your feedback on one of the initiatives.

When registering your camper for the summer session, would you be willing to provide a cheque, in addition to the registration fee, which would apply to volunteer hours. And if you work the specified number of volunteer hours, the cheque you submitted would be returned. For example:

Each registration will require a refundable cheque of \$30 upon working 3 hours of volunteer work (i.e. kitchen assistance).
